

Dear Parents and Guardians,

Welcome to the Muskego Norway School District!

The staff in the Health Rooms and myself look forward to serving your student's health care needs during the school year.

To assist us we would appreciate your cooperation with completion of the **CHECKLIST FOR STUDENT HEALTH CARE**.

Please visit the [District Nurse website](#) for forms and health related information.

In addition, the Muskego Norway School District highly recommends a health care examination prior to the start of the school year that includes: 1) Vision Screen; 2) Hearing Screen; 3) Dental Examination; and 4) General Physical Assessment.

Sincerely,

*Tracy Staudacher*

Tracy Staudacher JD, BSN, RN

**Muskego-Norway School District Nurse**
