

# Tier 1 Dual Option

## In-Person Option

### In-Person Learning

- 5 days a week within the school environment
- Masks are required
- Reasonable and practicable mitigation measures implemented
- Consistent virtual platform utilized (Google Classroom or Seesaw) for ease of transition to distance learning when needed

### Temporary Distance Learning

- If individual, group, classroom is removed from in-person learning (ex. quarantine, isolation)  
Classroom teacher provides instruction temporarily through distance/virtual modality (Continuity of Instruction Plan)
- For a prescribed short-term period of time based on County's quarantine/isolation orders

### Temporary Distance Learning

- If an entire school or the district is closed temporarily for in-person instruction (ex. due to internal/external metrics)
- Classroom teacher provides instruction temporarily through distance/virtual modality (Tier 3 Learning Plan)
- For a short-term period of time while metrics are monitored

### Transition Learning

- A school/district may transition back to in-person with a short-term hybrid/blended learning environment
- Classroom teacher provides instruction temporarily through a blend of distance and in-person instruction through an A/B schedule (Tier 2 Learning Plan)
- For a short-term period of time while metrics are monitored

*Transitions from Distance/Transition Learning back to In-Person will occur when deemed safe*

## MNS Virtual Learning Option

### Virtual Learning

- Students stay home and learn virtually
- Students are assigned to a virtual teacher or program and are not part of in-person classrooms
- There is a commitment for a trimester/semester due to staffing
