Class Meeting Times

Period 1 : 7:30 a.m. - 10:00 a.m.

Period 2: 10:00 a.m. - 12:30 p.m.

Registration is NOT on a first - come, first - serve basis. Senior students have first priority, followed by Juniors, then Sophomores, then Freshmen. Please take time to consider if summer school is a good option for your student. If a lottery is necessary due to more applicants than available seats, it will be held in early March. We will notify students/families of their enrollment status in March.

General Information:

Summer School is a serious commitment. Students are expected to attend EVERY DAY. One period/day of a Summer School Course is the equivalent to THREE periods/days of a regular school year course. Any absences will require verification of the absence from a parent/guardian. Should a student be absent 2 or more days, administration reserves the right to remove the student from summer school with a "Withdraw-Fail" on the student's transcript. Students are unable to participate in summer school if they have other commitments such as trips, camps, etc.

PLEASE NOTE:

- Enrollment in summer school courses counts as High School Credit and may provide more room and flexibility in a student's future high school schedule.
- Courses meet from 7:30 a.m. - 10:00 a.m. and 10:00 a.m. - 12:30 p.m.
- Students need only sign up for one *Period* of a course (i.e. #10 Health OR #11 Health, NOT both).
- As with all of our summer school courses, all courses will run based on enrollment and staffing availability.
- Enrollment in summer school courses counts as high school credit.
