

## MNSD END OF YEAR MEDICATION PICK-UP PROCESS

MNSD Parents/Guardians:

**MNSD Policy:**

**Unused medication will be available for pick-up or sent home with the student, at the discretion of the District Nurse, at the end of the school year. Medication remaining in the MNSD health offices after the end of the school year will be properly disposed.**

Please make sure that all medication stored in the health office has been picked up from with your school's health office by the last day of school, May 31, 2018.

**STUDENT'S AUTHORIZED TO SELF-CARRY:** If your student is authorized to self-carry their medication, it will be sent home with the student on the last school day. Please let your school know if you prefer to pick up this medication.

Medication left in the MNSD health offices **AFTER MAY 31** will be properly disposed of by the District Nurse.

Sincerely,

*Tracy Staudacher*

Tracy Staudacher JD, BSN, RN
