

## MNSD TDAP VACCINE REMINDER FOR INCOMING 6TH GRADERS

Attention Families of Incoming 6th graders:

The Wisconsin Student Immunization law requires that all students **entering the 6th grade** receive the Tdap vaccine, the adolescent booster vaccine for Tetanus, Diphtheria, and Pertussis (Whooping Cough). To be compliant with the school law, parents must provide their child's school with proof of immunization OR claim a waiver.

Please click [here](#) for further information about the Tdap vaccine from the WI Department of Health Services.

In preparation for summer appointments with your child's physician, click [here](#) for the immunization record that will need to be turned into your school at the beginning of next school year.

If you have any questions please contact the Waukesha County Health Department at 262-896-8430 or your school's health office.

Bay Lane: 262-971-1810 X. 6225  
Lake Denoon: 262-971-1829 X. 7436

Sincerely,

*Tracy Staudacher*
