During the school year, lost or replacement locks can be purchased in the Student Services office.

## **VISITORS ENTERING THE BUILDING**

In our efforts to continually improve the safety and security of our schools for students and staff, we have a consistent process for checking visitors in/out of our district schools.

Please know that all adult school visitors (who will be picking up a student from the health room, having lunch with a student, or visiting a classroom) **need to sign in at the Main Office first**. They **will also be asked to show a photo ID**, such as a driver's license, when signing in as a visitor to any district school.

Please know that the reason for this procedure is to assure a safe school environment for our students and staff.

## **ATHLETICS AND CO-CURRICULAR ACTIVITIES**

Information about LDMS athletic programs, intramurals, and clubs is available at registration or at the LDMS website. Fees are paid at the beginning of each sport season. Athletic fees for the 2019-20 school year are \$45.00 per interscholastic sport with an individual cap of \$90.00. There is no family cap.

## **ATHLETIC ELIGIBILITY FOR 2019-20**

In order to be eligible for co-curricular activities in the fall of 2019, students must have met the criteria as outlined in the co-curricular code. Academic eligibility requires that students have no more than one failing grade during the preceding nine weeks. For activities that begin during first quarter next year, fourth quarter grades from the 2018-19 school year will be used to determine academic eligibility.

**All of our interscholastic athletic opportunities require a physical examination by a licensed physician PRIOR to tryouts or participation.**

**For examination forms** go to the Lake Denoon Website under Parents/students → Forms → Co-Curricular Forms → on the right side of the page click on +Co-Curricular forms. **Sports requiring a physical are:** sixth, seventh, and eighth grade boys' and girls' basketball, cross country, track, wrestling, poms, and seventh and eighth grade girls' volleyball.

## **CONFIDENTIALITY**

School Counselors, School Social Workers, School Psychologists, and School Nurses keep information confidential unless disclosure is required to prevent clear and imminent danger to the student/counselor or others or when legal requirements demand that confidential information be revealed. The Student Services Staff may consult with other appropriate professionals when deemed necessary. All of the above is in keeping with professional ethical standards.

## **WALKING AND RIDING BIKES TO SCHOOL**

The roadways are not deemed to be safe for students to ride their bikes to and from school. The school does not provide bike racks and, accordingly, LDMS/MNS cannot take responsibility for the children's safety when riding a bike or bike property.

Children who have permission from their parent/guardian to walk should be extremely careful and should not walk on the road due to the volume and speed of the traffic. The school district does not assume any liability for students who walk to or from school.

## **BUS TRANSFERS**

All students who will be taking a different bus route home must have a note from a parent/guardian indicating the child's name, grade level, and the bus route number that the child will be taking home. The note must be brought to the Student Services Office **before 2:30 p.m.** for a bus pass. The best time to get a bus pass is before school starts. **Students are not allowed to call home as prior written permission is required.**

## **CANINE ASSISTED SEARCHES**

In order to protect the safety and welfare of students/staff and to promote a drug-free school environment, the Muskego-Norway school board has authorized the use of canines trained for detection of drugs and explosive devices in district schools and on school grounds. This is a practice that has become the norm in secondary schools throughout our region in recent years. Due to this policy, it is now the norm in Muskego-Norway schools. A copy of the policy can be found in the student handbook. If you have questions or concerns, please contact Linda O'Bryan, Principal, or John McEwing, Associate Principal.

## **DRESS CODE**

The School Board recognizes that each student's mode of dress and grooming is a manifestation of personal style and individual preference. The Board will not interfere with the right of students and their parents to make decisions regarding their appearance, except when their choices interfere with the educational program of the schools.

Accordingly, the Superintendent shall establish such grooming guidelines as are necessary to promote discipline, maintain order, secure the safety of students, and provide a healthy environment conducive to academic purposes. Such guidelines shall prohibit student dress or grooming practices which:

- A. present a hazard to the health or safety of the student himself/herself or to others in the school;
- B. interfere with school work, create disorder, or disrupt the educational program;
- C. cause excessive wear or damage to school property;
- D. prevent the student from achieving his/her own educational objectives because of blocked vision or restricted movement.

Such guidelines shall establish the dress requirements for members of the athletic teams, bands, and other school groups when representing the District a public event.

### **(School Board Policy 5511)**

Students are also encouraged to bring a sweatshirt and keep it in their locker to wear when they get cold. With 130,000 square feet, it can be difficult to maintain each classroom's temperature. Our room temperature is set at 70 degrees.

## **MNS SCHOOL BOARD POLICIES: DISCRIMINATION, HARASSMENT, AND BULLYING PROHIBITED**

In the 2019-20 Parent/Guardian Handbook please find pertinent information related to this important matter. In particular, your attention to the following portion of the policy is greatly appreciated.

### **Discrimination Prohibited**

The Board does not discriminate on the basis of race, color, religion, national origin, ancestry, creed, pregnancy, marital status, parental status, sexual orientation, sex (including transgender status, change of sex or gender identity), or physical, mental, emotional, or learning disability ("Protected Classes") in any of its student program and activities.

### **Harassment Prohibited**

It is the policy of the School Board to maintain an educational environment that is free from all forms of harassment, including sexual harassment. This commitment applies to all District operations, programs, and activities. All students, administrators, teachers, staff, and all other school personnel share responsibility for avoiding, discouraging, and reporting any form of harassment. This policy applies to conduct occurring in any manner or setting over which the Board can exercise control, including on school property, or at another location if such conduct occurs during an activity sponsored by the Board.

The Board will not tolerate any form of harassment and will take all necessary and appropriate actions to eliminate it, including suspension or expulsion of students and disciplinary action against any other individual in the School District community. Additionally, appropriate action will be taken to stop and otherwise deal with any third party who engages in harassment against our students.

### **Bullying Prohibited**

Bullying is prohibited by Board Policy 5517.01 – Bullying. It is defined as deliberate or intentional behavior using words or actions, intended to cause fear, intimidation, or harm. Bullying may be a repeated behavior and involves an imbalance of power. Furthermore, it may be serious enough to negatively impact a student's educational, physical, or emotional well-being. Bullying need not be based on any Protected Characteristic. Bullying behavior rises to the level of harassment when the prohibited conduct is based upon the student's sex (including transgender status, change of sex, or gender identity), race color, national origin, religion, creed, ancestry, marital or parental status, sexual orientation of physical, mental, emotional or learning disability, or any other characteristic protected by Federal or State civil rights.

Muskego-Norway Schools will provide a safe, secure and respectful learning environment for all students, in school buildings, on school buses and at school-sponsored events that prohibits bullying. "Bullying" includes aggressive or hostile behavior that is intentional and involves an imbalance of power between the bully and the bullied. It is typically repeated over time. Bullying takes many forms, including, but not limited to, physical or verbal assaults, nonverbal or emotional threats or intimidation, social exclusion and isolation, extortion, and the use of a computer or telecommunications to send embarrassing, slanderous, threatening, or intimidating messages. Bullying is a form of victimization and is not necessarily a result of or part of an ongoing conflict. Bullying can also be characterized by teasing, put-downs, name-calling, cruel rumors, false accusations, and hazing.

## **TECHNOLOGY**

**APPROPRIATE USE OF TECHNOLOGY** – Muskego-Norway Schools utilizes a software program as a means to monitor appropriate use of all district technology. Please speak with your child about exercising good judgment when using technology at Lake Denoon. Should your child accidentally type an inappropriate word, **he/she needs to immediately speak with the teacher/adult in the room.** Also, per board policy, access to the internet has been established for educational purposes. Any violation of this policy may result in disciplinary actions.

If you have any questions, please do not hesitate to contact John McEwing, Associate Principal, ext. 7002, or Linda O'Bryan, Principal, ext. 7001.
