

Muskego-Norway
School District

Summer Learning Academy 2020

Location: Bay Lane Elementary
Registration Opens: Monday, March 9
Registration Closes: Friday, March 20

SUMMER LEARNING ACADEMY 2020

Dear Parents and Guardians,

We are pleased to announce that the Muskego-Norway School District is offering a variety of summer school options for our elementary and middle level students through our Summer Learning Academy (SLA).

Academic Support Classes — Coursework designed to review and enhance reading, writing, and math skills particular to a student's needs. These courses are open to all students. Teachers may choose to recommend these courses for some students and will communicate this to parents during conferences.

Enrichment Courses — These courses help to develop a student's interests and skills through a variety of interactive and engaging experiences. In this brochure, you will find a description of the classes being offered this summer. We hope that you will consider enrolling your child; the Summer Learning Academy can be the perfect boost to the start of a terrific new school year!

Online Registration – All registration will be done online through Infinite Campus.

If you have any additional questions regarding Summer Learning Academy, please feel free to contact one of us. We are looking forward to seeing you in June!

Sincerely,
SLA Leadership Team

Josh Griffey (262-971-1830 ext. 8502)
John McEwing (262-971-1820 ext. 7002)
Chad Krupar (262-971-1860 ext. 1813)

Bay Lane will be open Tuesday, June 16 from 2-6 p.m. for families to visit and preview classroom locations. Teachers will not be available.

If you leave a voicemail, please only leave for one administrator. We will return all calls as soon as we are able.

KEY DATES AND TIMES

Location: Bay Lane Elementary
Registration Opens: Monday, March 9
Registration Closes: Friday, March 20

Confirmation Available on IC: Friday, May 22
Building will be Open: Tuesday, June 16 (2:00 p.m. – 6:00p.m.) Families are encouraged to visit and map out room locations. (Teachers will not be available.)

Week 1: June 22 - June 25
Off Week of June 29
Week 2: July 6 - July 9
Week 3: July 13 - July 16
Week 4: July 20 - July 23

Dates are different for:
- All-Sports Academy
- Fab Lab
- Muskego Power

Session Times

Session 1: 8:00 - 9:00
Session 2: 9:00 - 10:00
Session 3: 10:30 - 11:30
Session 4: 11:30 - 12:30

There will be a supervised recess from 9:55-10:25 a.m. Students who attend multiple sessions are encouraged to bring a snack/lunch.

ACADEMIC COURSES

Open to all students; teachers may recommend students, but teacher recommendation is not required

KINDERGARTEN

Kindergarten Momentum

This course will provide soon-to-be kindergartners with a “head start” on their transition to kindergarten. This course will begin establishing the academic and social foundations for a successful kick-off to their elementary school years.

Entering Kindergarten

Sessions 1, 2, 3, 4

Kindergarten Writer’s Workshop

This course will get kindergartners acclimated with the foundational pieces of the writing process.

Entering Kindergarten

Sessions 1, 2, 3, 4

Kindergarten Reader’s Workshop

Kindergarten Reader’s Workshop will promote phonemic awareness skills and reading readiness through a balanced literacy approach.

Entering Kindergarten

Sessions 1, 2, 3, 4

Kindergarten Math Workshop

This course will provide increased exposure to develop number sense, counting/cardinality, and problem-solving skills that are developmentally appropriate for kindergarteners.

Entering Kindergarten

Sessions 1, 2, 3, 4

WORKSHOP COURSES FOR GRADES 1-8

Reader’s Workshop

An opportunity for students to read and receive guided instruction in comprehension and strategy work. This course is designed for reviewing, maintaining, and improving reading skills and strategies worked on during the school year.

Entering Grade 1: Sessions 2, 3

Entering Grade 2: Sessions 1, 4

Entering Grade 3: Sessions 2, 3

Entering Grade 4: Sessions 1, 4

Entering Grade 5 & 6: Sessions 1, 3

Entering Grade 7 & 8: Session 2

Writer’s Workshop

This writing class meets the needs of the emerging writer, as well as those more accomplished. Mini-lessons are presented to fine-tune children’s skills and to engage their creative minds. Various types of writing covered. This is a fun, highly motivating class, popular with students of all writing abilities!

Entering Grade 1: Sessions 1, 3

Entering Grade 2: Sessions 2, 4

Entering Grade 3: Sessions 1, 3

Entering Grade 4: Sessions 2, 4

Entering Grade 5 & 6: Sessions 2, 4

Entering Grade 7 & 8: Sessions 1, 3

Math Workshop

Increase one’s ability to problem-solve, fact fluency, and work through multi-step problems. Instruction will focus on key math concepts found in each grade level strand of mathematics, including processes, number operations and relationships, geometry, measurement, statistics & probability, and algebra.

Entering Grade 1: Sessions 1, 4

Entering Grade 2: Sessions 2, 3

Entering Grade 3: Sessions 1, 3

Entering Grade 4: Sessions 1, 3

Entering Grade 5 & 6: Sessions 2, 4

Entering Grade 7 & 8: Sessions 1, 3

IMPORTANT INFORMATION

Summer Learning Academy Location

Bay Lane Elementary School
S75 W16399 Hilltop Drive
Muskego, WI 53150

Student Progress

Once in session, questions regarding your child's progress should be directed to your child's Summer Learning Academy teacher.

Course Enrollment

All courses require a minimum number of students. We will do our best to place everyone in their desired courses; in some cases, we may need to use alternate selections. The number of classes offered will be limited and may fill up quickly.

Confirmation of Registration via Infinite Campus - by May 22

Parents will be notified that their child is registered for SLA by May 22. Included in the confirmation will be the student schedule showing the time slot for course(s), confirmation of transportation route times, fee statement (if applicable), and a parent newsletter.

Computer Use

Muskego-Norway offers Internet, e-mail, and network access for employee and student use. The use of the district's computers and network systems is viewed as a privilege and not a right in the district. The ultimate responsibility for acceptable use is the sole responsibility of the individual user. Employees and students should have no expectation of privacy in the contents of personal files on the district system.

Registration

All registration will be done via Infinite Campus Portal. If you do not have an Infinite Campus username/password, please email Melanie Strom at melanie.strom@muskegonorway.org.
Step by Step Registration: visit page 12
Location: Bay Lane Elementary School
Registration Opens: Monday, March 9
Registration Closes: Friday, March 20
Confirmation available on IC: Friday, May 22

Transportation

Our shuttle service will provide stops to:
Muskego High School Door #5 - North Lot
-Lake Denoon Middle School
-Mill Valley Elementary
-Lakeview Elementary
-Muskego Lakes Middle School
-Park and Rec (only for students enrolled in Park & Rec Summer Playground program)

Shuttles Runs

-Before Session 1
[Approximate pick-up time 7:30 - 7:40 AM]
-Between Sessions 2 and 3
[Approximate drop-off / pick-up 10:10 - 10:20 AM]
-At the end of Session 4
[Approximate drop-off 12:40 - 12:50 PM].

Note: Shuttle routes do not run between Sessions 1 & 2 or between Sessions 3 & 4.
Supervision is not provided at the bus stops and parents are asked to wait until the buses have come and gone.

Cost

Summer Learning Academy is free for all Muskego-Norway district residents. Some courses require a materials fee, which is noted in the course description.

Non-district resident cost is \$50.00.

Fee statements will be mailed with schedules. Payment should be made to Muskego-Norway School District.

MUSKEGO WARRIORS ALL-SPORT ACADEMY

STUDENTS ENTERING GRADES 1-4

MONDAY-FRIDAY JUNE 17-21

2020 will be our 17th annual All-Sport Academy. The goal of this academy is to provide kids, grades 1-4, an early entry opportunity into a variety of sports and to HAVE FUN! Each student will receive instruction on their favorite sports. In addition, each day, there will be an opportunity to experiment with a wide variety of other sports and activities through our fitness games programming each day.

We reserve the right to modify any sport offerings or change offerings daily based on enrollment and staffing.

Deadline to enroll is June 1.

Typical Daily Schedule

1:00 - 1:10 pm: Welcome & Introductions
1:10 - 2:00 pm: Daily Session #1 Choice
2:00 - 2:15 pm: Leadership Lesson & break
2:15 - 3:05 pm: Daily Session #2 Choice
3:05 - 3:20 pm: Sportsmanship Lesson & break
3:20 - 4:10 pm: Daily Session #3 Choice
4:10 - 4:25 pm: Warriors Way Lesson
4:25 - 4:55 pm: Team Building
4:55 - 5:00 pm: Closure

Rides must drop off/pick up at the athletic entrance of MHS (Door #16). Students must be promptly picked up at the ending time.

DATES: Monday-Friday June 15-19 **TIMES:** 1:00 - 5:00 PM

INSTRUCTORS: Mr. Scott Carlson and the MHS Coaching Staffs

LOCATION: Muskego High School, Athletic Facilities, W187 S8750 Racine Avenue

Cost: Muskego Residents: \$10.00 for a T-Shirt

Non-district resident cost is \$50.00. Fee statements will be mailed with schedules.

Payment should be made to Muskego-Norway School District.

Sport Choices that will appear in Infinite Campus: please select 1 choice for each session offered (3 sessions per day)... Monday/Weds/Friday will follow the same sessions offered and Tues/Thursday sessions will have same sessions offered:

M/W/F: (1) Baseball/Softball, **Swim, Cheer... (2) Basketball, Tennis, Dance/Poms... (3) Football, Soccer, Golf,
TU/TH: (1) Volleyball, Track & Field, Hockey... (2) Gymnastics, Wrestling, Lacrosse/Frisbees... (3) Basketball, Football, Soccer.

Each session will also have an option of fitness activities/game if not interested in options offered at that session.

NOTE: **For swim, water is 4ft deep and students must be able to swim 25 yards unassisted.

ALSO, YOU WILL SIGN UP FOR 6 TOTAL CHOICES (3 FOR M/W/F AND 3 FOR TU/TH SCHEDULE)

Team Building Fitness Games: Various tag games, human knot, scooter relays, capture the flag, omnikin ball, parachute, team challenges, ultimate games, oscar's garbage can, cardio kick-ball, etc.

ENROLLMENT: Minimum 10 per sport. Maximum 45 per sport each rotation.

Any medical information not included in Infinite Campus; please contact scott.carlson@muskegonorway.org
Please dress appropriately for your indoor/outdoor sport and weather.

Art & Drama

Art Through the Ages*

Learn about famous artists throughout history and make paintings based on the artists' work. This course focuses both on art production and learning how important historical events shaped certain movements in art.

***Course Fee \$5.00**

Entering Grade(s): 6, 7, & 8

Sessions 2, 3

Coloring and Journaling for Life

Students will learn the benefits of coloring using adult coloring pages and journaling. Coloring and journaling are proven ways to relax and focus. We will develop each with the aim of turning them into lifelong practices.

Entering Grade(s): 2 & 3

Sessions 2, 4

Entering Grade(s): 4 & 5

Sessions 2, 3

Entering Grade(s): 6, 7 & 8

Session 1, 4

Drawing and Three-Dimensional Art Exploration*

Students will learn and practice a variety of drawing skills and styles while investigating master artist works. A variety of mediums will be utilized, from pencil, pen and ink, to paint. A sketchbook will hold lessons and ideas. Students will engage in the creative art-making process, from 2D to 3D to create works of art using paper-mâché, paint, & other media.

***Course Fee \$5.00**

Entering Grade(s): 1 & 2

Session 4

Entering Grade(s): 3, 4 & 5

Session 1

Four Seasons of Crafting*

Welcome spring, summer, fall and winter with fun reading activities and craft ideas from the heart. Personalize and spruce-up your space with something you create to reflect the mood and beauty of each season.

***Course Fee \$5.00**

Entering Grade(s) 1, 2, 3, & 4:

Sessions 2, 4

Entering Grade(s): 5, 6, 7, & 8:

Sessions 2, 4

Readers Theater*

Make your favorite stories come to life! This hands-on course provides students the opportunity to improve their fluency in reading, reading with expression, orally retelling stories with expression, performing as a character, creating props, and working cooperatively with others. At the end of the class sessions, students will perform a play for audience.

***Course Fee \$5.00**

Entering Grade(s): 2, 3, & 4

Sessions 1, 2, 3, 4

Engineering & Science

Animal/Bird Watching

Students will learn to observe wildlife and record their findings in a wildlife journal by writing and drawing what they see. Through this course, they will gain an appreciation for the natural world that surrounds their home.

Entering Grade(s): 4 & 5

Session 3

Entering Grade(s): 6, 7 & 8

Session 2

Beginner STEM (Science, Technology, Engineering and Math)*

Students will have the opportunity to work collaboratively on STEM projects. Students will not only learn about science, technology, engineering and math, but they will also explore these avenues using a scientific method in planning and testing many projects throughout the summer!

***Course Fee \$5.00**

Entering Grade(s): 3 & 4

Session 2

Entering Grade(s): 5 & 6

Session 4

Hands-On Science*

Explore the world of science through hands-on experiments and investigations. Through this course, you will create slime, make ice cream, grow plants, raise mealworms, and more!

***Course Fee \$5.00**

Entering Grade(s): 4 & 5

Sessions 1, 2, 3, 4

Lego Level 1- We Do!

This highly interactive course will help early elementary students explore the basics of science and engineering with hands-on experiences using Legos! Students will explore simple machines and basic sensors while building different robots to explore the world of science!

Entering Grade(s): 1, 2, & 3

Sessions 1, 2, 3, 4

Lego Mindstorms Level A- Programming

Students will model real-life mechanisms and use creativity, logic, and problem-solving skills to meet challenges while learning necessary science, technology, engineering, and math concepts. Get hands-on experience similar to that of what scientist and engineers experience on a day-to-day basis! With the use of a basic robot that they build in groups, students will learn to think like coders in order to harness the basics of programming and help their robots complete a series of challenges.

Entering Grade(s): 4, 5, & 6

Sessions 1, 2

Lego Mindstorms Level B- Design and Experiment

This challenge-based course will help older elementary and middle school students develop and test their skills with engineering, robotics, and design. In this hands-on course, students will face a number of real-world-based challenges that require them to design and develop robots that complete increasingly complex tasks. Students will study how sensors work and interact, investigate how simple machines combine to create larger mechanics, and develop their skills with robotic programming.

**** Course is two hours long- students must be able to attend both sessions. Additionally, students should have completed the Lego Mindstorms Level A for background in programming.**

Entering Grade(s): 5, 6, 7, & 8

Sessions 3 & 4 (Combined)

Music

7th & 8th Grade Band Jam

This course is for incoming 7th and 8th grade students who have already taken one or two years of band in school. In our jam sessions, we will play FUN band music from popular movies, Broadway musicals, and catchy, popular tunes you already know by ear. Each student will need his/her own instrument, except for tuba, baritone sax, and French horn, which can be rented through school. This is a GREAT opportunity to keep your instrument from getting dusty over the summer. This is a session you definitely DON'T want to miss!

Entering Grade(s): 7 & 8

Session 2

Beginning Piano Skills

This course is designed for students who wish to develop beginning piano skills.

Students will be working individually and in small groups to master basic level piano skills and songs. There will be some time spent on basic music notation.

Entering Grade(s): 2, 3 & 4

Sessions 2, 3, 4

Recorder Karate Dojo*

Students will extend what they've learned in previous grades about playing the recorder. Students can earn even more Recorder Karate belts than before, play advanced duets with partner groups, and learn more about music literacy in the process. Great option for thinking about picking up a band instrument in the near future. Get ready for some shiny new belts!

***Students must bring their recorder from 4th grade to participate. If a new recorder is needed, there is a \$5.00 course fee.**

Entering Grade(s): 5 & 6

Sessions 1, 3

You Can Uke!

Students will have hands on experience learning to play ukulele during the course. Starting from scratch, we will learn the parts of the instrument, how to properly hold the instrument, as well as performing on the instrument. In addition to playing commonly used chords for most popular songs, students will also learn the basics of fingerpicking melodies on the ukulele. At the end of the course, students will be performing a small concert to show off their amazing skills! Soprano ukuleles will be provided; however, if your child already owns one, we encourage you to send your student to class with it.

Entering Grade(s): 3 & 4

Sessions 1, 4

You Can Uke- Part 2

Continuation of the You Can Uke! course.

Students will expand on chords and techniques learned in previous course. This course is also an expansion of 3rd grade Uke curriculum offered at Bay Lane Elementary. New chords, songs, and strum patterns! A brief concert will close out our time together.

Entering Grade(s): 4 & 5

Sessions 2, 3

Social Media

YouTube 101

The internet is not going away any time soon. YouTube is the most visited site on it. On any given day YouTube uses 15% of the entire globe's internet bandwidth; 80% of teenagers use YouTube in one way or another. Having said that, have you ever been educated on how to use it properly? This class will dissect how YouTube came to be, why it's so popular, how to upload videos, and how to be safe when interacting with it. Whether you hope to become rich making videos, or just want to know how to store and share family videos, this course has something for everyone.

Entering Grade(s): 6, 7 & 8

Sessions 1, 3

NEW OFFERING

Technology

Create with Cricut*

Explore Cricut project options and get inspired! Design stickers, labels, fancy fonts and learn to cut removable vinyl. Make designs that can be used to personalize a water bottle, walls, Chromebook, mugs and more! Artists and designers, you will love the endless possibilities!

***Course Fee \$10.00**

Entering Grade(s): 6, 7 & 8

Session 2

Cricut II*

Do you love to create with Cricut and hope to take your skills to a new level? Did you take the SLA Cricut course last summer? Have you used a Cricut at home or in a Fab Lab? If you've answered yes to any of these questions then this is the course for YOU!

***Course Fee \$10.00**

Entering Grade(s): 6, 7 & 8

Session 1

Design and Create CAD with Google Draw

Future designers, architects, artists, and creative thinkers: sign up now, and learn to make professional drawings with online tools. Draft a floor plan, create a room, design a print for fabric! If you can imagine it, you can learn to make a digital composition. Take your art to a new level using CAD (computer assisted design tools).

Entering Grade(s): 3, 4, 5

Session 3, 4

Keyboarding

Brush up on your keyboarding skills! With the introduction of new technology at multiple grade levels, this course will help students become experts in learning how to use the keys to share their written thoughts and ideas while saving a tremendous amount of time!

Entering Grade(s): 2 & 3

Session 1, 3

Endless Creations in the Fab Lab*

Endless Creations in the Fab Lab introduces learners to powerful software and tools designed for creating. During this week-long camp, students will be able to explore the process of design while learning practical skills from designing to coding. Students will learn how to use 3D printers, laser engravers, and vinyl cutters. No prior software or training required. Each participant will walk away with something lasered, 3D printed and at least one vinyl design!

***Course Fee \$10.00**

****NOTE: No shuttle service is offered for this course. Parents are responsible for arranging transportation for students. ****

July 27-July 30

Session 1 - 8:00 am - 10:00 am (Grades 3-5)

Session 2 - 10:00 am - 12:00 pm (Grades 6-8)

Location: Muskego Lakes Middle School

Keyboarding and Cursive

Do you love Nitrotype? Do you like using markers and fancy paper to express yourself? Calling all artists, writers and gamers! Learn the art of cursive and improve your speed and accuracy in keyboarding. This class will combine practicing your typing skills using a variety of online sites and learning the how to write and read cursive. We'll use iPads, Chromebooks, pencils, crayons, paints and paper to practice our skills. Don't miss out on the fun!

Entering Grade(s): 4, 5, & 6

Session 1, 3

Enrichment

Board Games Unplugged

This class goes “old school” and unplugged! Students will take a break from technology while learning strategic and social skills as we play games such as Monopoly, Battleship, Mankala, Yahtzee, all the old favorites, as well as new ones! Students can learn the games or come and practice to refine skills.

Entering Grade(s): 3, 4, & 5

Sessions 2,4

Entering Grade(s): 6, 7, & 8

Sessions 1, 2

Chess- Beginner

Learn chess! Students will learn how the pieces move, the rules of the game, and some simple strategies. They will also have time to play against other students with guidance from the teacher as they play.

Entering Grade(s): 1, 2, 3, & 4

Sessions 2, 3

Chess

Strengthen your chess game by developing a better understanding of strategy and tactics. Students will study concepts such as opening, middle game, and endgame fundamentals, development, the center, and much more! Recommended for grades 5 – 8, in addition to 3rd and 4th graders who have previous tournament experience.

Entering Grade(s): 3, 4, 5, 6, 7, & 8

Sessions 1, 4

Math and Logic Fun²

Math can be fun, exciting, and creative. Put your skills to the test by competing to solve math problems, logic puzzles, games, and riddles. Learn mathematical concepts and problem-solving in the process!

Entering Grade(s): 4 & 5

Sessions 2, 4

Start Strong

Does your child need help to manage their social, emotional, or behavioral responses? Are their responses unsafe or unexpected? Executive functioning, coping, social, emotional, and/or behavioral skills will be taught using project-based learning activities.

Entering Grade(s): 1 & 2

Sessions 1, 2

Entering Grade(s): 3, 4, & 5

Sessions 3, 4

Reading Corner

Book Club

Do you LOVE to read? If so, this summer reading club is for you! Students will choose from a variety of books, engage in book clubs, set reading goals, have discussions and use technology to share their books with others. ***The Reader's Workshop class may be more beneficial for students who need more practice and enforcement with specific reading strategies.**

Entering Grade(s): 3, 4, & 5

Sessions 1, 4

Entering Grade(s): 6, 7, & 8

Session 4

Book Cooks*

In this course, we will read a book and then create a small snack that goes along with the story. The fun, hands-on cooking activities will deepen understanding of the book and also helps develop math skills when measuring ingredients. The students will also create a cookbook of all of the recipes that we make in class.

***Course Fee \$5.00**

Entering Grade(s): 1, 2, & 3

Sessions 1, 2, 3, 4

Read It, Make It, Take It*

Join us for story time fun! Students will read a variety of stories and use their creativity to make crafts inspired by the stories we read. This experience will provide students the opportunity to use reading strategies, demonstrate comprehension, and build their love for literature in an engaging way.

***Course Fee: \$5.00**

Entering Grade(s): 1, 2, & 3

Session 1, 2, 3, 4

Dr. Seuss's Reading Adventure

Take a trip into the world of Dr. Seuss! During this class, students will read books and become transported into the imaginative, creative world of Dr. Seuss while learning and practicing reading strategies.

Entering Grade(s): 1 & 2

Sessions 1, 2, 3, 4

Really Into Read Alouds

This course will help students develop a love of reading through age appropriate teacher-led read alouds! Students will spend time listening to great books with opportunities to discuss and expand ideas. Students will also complete reading responses that will help them develop their writing skills around reading!

Entering Grade(s): 3 & 4

Sessions 1, 3

Foreign Language

“¡Un verano divertido!” (A fun summer!)

Learn beginning Spanish with your amigos through games, music, and art! This is designed as an introductory Spanish course for students both in elementary and middle grades.

Entering Grade(s): 1 & 2

Sessions 1, 4

Entering Grade(s): 3 & 4

Sessions 2, 3

Entering Grade(s): 5 & 6

Sessions 2, 3

Entering Grade(s) 7 & 8

Session 4

Español - Use it or Lose it- 8th grade

Students will take what they have learned this past year in Spanish I and continue to use it to maintain proficiency and build confidence as they move into Spanish II in 8th grade. We will include authentic reading, listening, viewing activities and feedback on how to improve writing. In addition, students will participate in cultural experiences (crafts, cooking, music).

Entering Grade: 8

Session 1

E-Sports

Storytime with D&D

Put away the video games. Internet not required. This course will have your child participating in a cooperative story, playing the game Dungeons and Dragons. D&D has been the most popular tabletop role-playing game since 1974. Using such skills as team building, out-of-the-box thinking, goal setting, imagination, literacy/storytelling, math, understanding different cultures, having ethics, critical reading, kids will work together to use each person's (self-created characters) unique abilities to problem solve and reach their goal. Winning is not the purpose, but creating an experience is. All that is required is dice, a pencil, paper, and your imagination. Come join the party!

Entering Grade(s): 5 & 6

Session 2

Entering Grade(s): 7 & 8

Session 4

NEW OFFERING

NEW OFFERING

Swim Lessons at MHS

For the first time ever, we will be offering swim lessons in the natatorium at Muskego High School. These lessons are geared for both beginners and more experienced swimmers. The 30-minute lesson will include 26-28 minutes of instruction, with 2-4 minutes of supervised free time. All swimmers will be classified into appropriately leveled groups within the first couple days of lessons.

The below dates and times are subject to having enough registrations to run lessons:

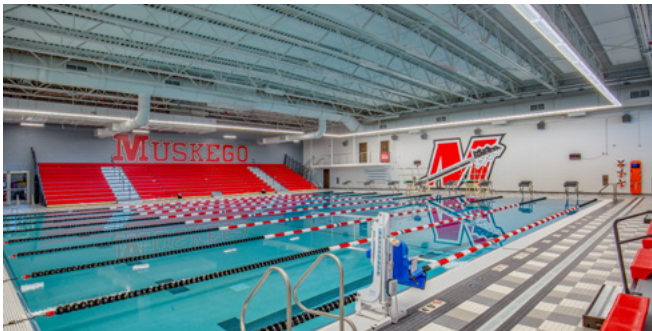

June 15 - June 26 (1-5 pm)

(8 sessions - 30 min each)

July 6 - July 17 (1-5 pm)

(8 sessions - 30 min each)

****NOTE:** No shuttle service is offered for this course. Parents are responsible for arranging transportation for students. ******

Wrestling & Character Development

Students will learn wrestling fundamentals along with character development that will help them to become the best teammate they can be. Wrestling fundamentals include foundational moves and strategies. Each week will have a different character theme. Character development activities will include team building, trust building, and other related concepts. All experience levels are welcome!

Entering Grade(s): 3 & 4

Session 1

Entering Grade(s): 5 & 6

Session 2

Sports

Basketball Skills & Games

Students will learn the fundamentals of basketball through skill work, fun activities, and competitive games. In addition to increasing their overall knowledge of the sport, students will extend their learning and understanding of teamwork and sportsmanship.

Entering Grade(s): 5 & 6

Session 1

Entering Grade(s): 7 & 8

Session 2

Get Up! Get Moving! Get Fit!

In this class, students will learn about ways to be healthy and stay active. This class will also incorporate team activities that allow the kids to get up and get moving including team sports, team obstacles and many more fun activities that involve moving around.

Entering Grade(s): 1 & 2

Sessions 1, 3

Entering Grade(s): 3 & 4

Sessions 2, 4

Summer Games Galore!

Do you want to play some awesome summer games that you can take home and play in a large or small group? Sign up to have some fun playing 3-person kickball, horse, soccer goalie, base runner, human rock paper scissors, mat ball, 4-square and dodge ball in this highly active course!

Entering Grade(s): 5, 6, 7, & 8

Sessions 3, 4

Run, Run, Run

Build your endurance for running through active running games and daily mini runs. We will also learn the importance of stretching before and after runs.

Entering Grade(s): 5, 6, 7 & 8

Sessions 1, 3

Muskego Power (Formerly Strength and Conditioning Clinic)

Students Entering 7 & 8

This co-ed course is designed for 7th & 8th grade students who want to improve muscular strength, endurance levels, and/or the ability to compete in areas that require physical and mental excellence. The program will include instruction in muscular strength, endurance training, flexibility, speed development, and cardiovascular endurance. Other concepts covered include learning to compete, working as part of a team, and achieving success, all while having a great attitude. We will work to build 1-Warrior.

****NOTE:** No shuttle service is offered for this course. Parents are responsible for arranging transportation for students. ******

Location:

Muskego High School, W183 S8750 Racine Avenue, Room 142

Dates:

June 15-July 24

Monday, Tuesday, Thursday, and Friday (No class Wednesday)

Time:

Session 1: 12:00-1:30

Session 2: 1:30-3:00

Cost: Muskego Residents: \$10.00 for T-shirt

Non-district resident enrollment cost is \$50.00. Fee statements will be mailed with schedules.

Payment should be made to Muskego-Norway School District.

SLA 2020 Online Registration

1 Click [HERE](#) to log into your parent portal account. If you have forgotten your credentials, use the links/instructions provided on the page.

**If your child attended SLA last year: once course registration opens, if you do not see your student listed, please email Melanie Strom at melanie.strom@muskegonorway.org.

**If your student is not currently enrolled in the district: you must enroll him/her [HERE](#) (do not upload documents). Choose year 2019-20. Additional instructions for online registration are found [HERE](#). Once your application is approved, you will receive instructions on creating an Infinite Campus account. You may complete this process before course registration opens. Applications will be approved within one business day. You may then begin step 2.

2 From the menu, choose **More > Course Registration**. There are several calendars from which to choose: All-Sport Academy (grades 1-4), Muskego Power (grades 7 and 8), Fab Lab (grades 3-8), SLA (grades KG-8) and Swim (grades KG-8). You may repeat this process for as many calendars for which your student is eligible. NOTE: If you have more than one student, select the student you would like to register in the upper right corner.

3 To find a course, select **Add Course** from the middle of the screen (or at the bottom if previous requests have been made). All **available** courses are displayed, as well as a search box. If desired, type in part of the name of the course you would like to request in the **Search Courses** box (e.g., S1 for session 1 courses). A list of all courses with that name will appear below the search box. **If a course you are interested in does not appear on the list, the request capacity has been reached, and no additional requests can be taken for that course.** NOTE: Each session is coded with S1, S2, S3, or S4 indicating which session it is being offered. By selecting a course name, you can find times and additional course information.

4 To add a course, click on the plus sign (+) next to the course name. A box will appear asking if you would like to add the course as a Request or Alternate. Choose the appropriate box or cancel. Requests can also be made when viewing course information by clicking on the **Add Request** or **Add Alternate** box. **Disregard the completion bar at the top.** NOTE: It is recommended that you choose one alternate course per session in the event that your original request cannot be honored.

5 To clear the search field, click on the X to see all choices or type over to create a new search. Repeat step 4 until all courses you are requesting have been selected. If you make a mistake and want to change a class, bring up the list of all classes and click on the red "X" next to the course or choose the course from the Course Requests screen and choose **Delete Request** at the bottom of the window (or **Convert to Alternate**). A box will appear asking you to delete the request. **Remember to select a bus shuttle option, if appropriate.** NOTE: A full schedule requires Session 1, 2, 3, & 4.

6 When your courses have been selected, click Back at the top of the window. You will see your requested courses there. Courses are labeled as **Requests** or **Alternates**. Click on Print at the bottom of the window to obtain a copy of your student's course selections for your records. (No parent/guardian signature is required--this is only for reference.) NOTE: There is no save button--all requests listed on the screen are saved in the database.

7 Repeat steps 2-6 for any other calendars/students.

Click [HERE](#) for more detailed instructions.

Final schedules will be available for viewing May 22 in the Infinite Campus portal.

Muskego-Norway
School District

Summer Learning Academy 2020

Location: Bay Lane Elementary
Registration Opens: Monday, March 9
Registration Closes: Friday, March 20
